# Application for Admission:

April 2017 - March 2018 Program

## Step 2. Personal Statement

Email your completed Program Application Document to:  
[admissions@SynthesisCenterSF.com](mailto:admissions@SynthesisCenterSF.com)

**Personal Statement.** *Create a Personal Statement that describes the following.  
Please keep your statement to ~500 -750 words - 1 to 2 pages*

- Tell us about yourself - describe your current life situation.
- Write about a significant life event and its meaning in your life.
- Describe what interests you about our program.
- In Psychosynthesis, we work with 6 “Psychological Functions”:  
*Thinking, Feeling, Intuition, Sensing, Imagination and Desire.*  
Describe your personal strengths in relation to these functions - some will be stronger and more dominant than others - and how they might influence your experience in this program.
- Describe an internal and/or external challenge/obstacle and how are working to manage, address and/or overcome this challenge.
- Please feel free to include anything else you think would be helpful to know about you.

# Application for Admission:

April 2017 - March 2018 Program

## ***Application for Scholarship and Work-Study***

### **Scholarship Opportunities for Synthesis SF 2017-2018 Training**

Synthesis SF will be offering scholarship and work-study for those who are training in our inaugural program as psychosynthesis coaches. We will be offering full and partial scholarship and work exchange opportunities to assist with tuition to anyone who applies.

**We are committed to make training available to all who are called to this program and will work with you to find a financial arrangement to make this possible.**

There are two scholarship streams and a work-study option - *you may select as many options as are applicable:*

#### ◆ **Full Scholarship**

*A limited number of full scholarships are available. These cover full basic tuition. You will be required to pay the \$250, non-refundable, non-transferable deposit, to secure your enrollment and an additional \$250 at the start of "Part 1", "Part 2" and "Part 3" training cycles, to cover resources and related program materials.*

#### ◆ **Partial Scholarship**

*We are offering partial scholarships of \$2500 - 5000 to help offset tuition costs. You will be required to pay the \$250, non-refundable, non-transferable deposit, to secure your enrollment and any amount remaining after the scholarship offset - you may pay this amount in full or prior to the start of each cycle: "Parts 1, 2 & 3".*

#### ◆ **Work-Study**

*Work-Study is available to offset tuition costs. We will have opportunities for teaching and research assistance, as well as for help with administrative, training facility setup/breakdown, operations, etc.*

### Application for Admission:

April 2017 - March 2018 Program

### ***Application for Scholarship and Work-Study***

***Email your completed Scholarship and/or Work-Study Application Document along with Your Application for Admission to:***

**[admissions@SynthesisCenterSF.com](mailto:admissions@SynthesisCenterSF.com)**

**Please complete the following in a separate document for both Scholarship and Work-Study**

***Please let us know the scholarship/work-study opportunity you are seeking.***

You may select as many options as are applicable:

*Write an essay of 300-500 words, one to two pages maximum length, that describes your interest in Coaching and Psychosynthesis, and your thoughts/ideas/vision for how you might bring your learning into the world - professionally and/or personally.*

**1. For Full Scholarship applications, we ask that your essay focus on **one** of the following 5 areas:**

- *Social Justice*
- *Creativity*
- *Education*
- *Technology*
- *Health - this can include: fitness, nutrition, wellness, medicine, nursing, addictions, etc.*

**2. For Partial Scholarship applications, you are welcome to select a practice area of your choosing.**

**3. For Work-Study:**

Please complete the above essay in relation to any practice area of your choosing.

Additionally, indicate how many hours a month you can contribute to a work-study arrangement with Synthesis SF and the type of opportunities that might best meet your interests and skills, including: *research assistance, help with administrative tasks, training room setup/breakdown, operations, technology or any other area that might be relevant to your skill set and our program needs.*
